Policy No. 600-2

December 13, 2012

Subject:	Excavation
Type:	Planning and Development
Authority:	Approved by Council: December 13, 2012

Excavation Policy

The following is a policy of the Town of Lampman regarding any excavation work performed in the Town of Lampman by any Town employee or any person or companies on properties within the Town of Lampman owned or not owned by the Town of Lampman:

1. Prior to any excavation work in the Town of Lampman, Sask. 1st Call must be contacted and any other government or applicable authorities to mark all affected services;
2. The Town of Lampman's applicable employee(s) must mark all water and sewer lines within the vicinity affected by such excavation work.
