

BYLAW NO. 2022-2

WASTE TRANSFER STATION BYLAW

A Bylaw of the Town of Lampman, in the Province of Saskatchewan, To Regulate the Disposal of Wastes at the Municipal Waste Transfer Station

The Council of the Town of Lampman, in the Province of Saskatchewan, enacts as follows:

1. This Bylaw may be cited as the Waste Transfer Station Bylaw.
2. Definitions:
 - a. “garbage” means putrescible animal and vegetable remains and byproducts resulting from the handling, preparation, cooking and consumption of food;
 - b. “putrescible” means capable of becoming putrid;
 - c. “refuse” means putrescible and non-putrescible including:
 - i. remains,
 - ii. byproducts, and
 - iii. discarded materials:
(resulting from domestic, commercial, industrial or agricultural activities and includes garbage, rubbish, street cleans and yard clippings, but excludes liquid domestic waste, human excrement and dead animals).
 - d. “bulk refuse” means wood, trees, shrubs, stumps, branches;
 - e. “rubbish” means non-putrescible remains and byproducts, consisting of both combustible and non-combustible remains and byproducts, and includes paper, cardboard, tin cans, wood, glass, bedding and crockery;
 - f. “liquid domestic waste” means any waste which contains animal, mineral or vegetable matter in solution or suspension;
 - g. “hazardous waste” means a waste that because of its quantity, concentration, of physical, chemical or infectious characteristics, either individually or in combination with other wastes, is an existing or potential threat to the environment, human health or other living organisms; and is designated in the regulations to be hazardous waste.
 - h. “whites” means large metallic objects such as major appliances, water heaters, stoves, furnaces, washers, dryers, refrigerators, deep freezers, dishwashers, bed springs, fencing, gates etc.;

Waste Transfer Station Bylaw No. 2022-2 – Page 2

- i. “waste transfer station” means the site located on NE 16-5-6 W2M in the Province of Saskatchewan, designated as parcel “B”, containing one or more bins for the holding of wastes prior to being transferred to a waste disposal site;
 - j. “designated area” means separate areas within the waste transfer station that are set aside for the disposal of particular kinds of waste, which areas are identified either by signs or by the municipality’s representative.
 - k. “dispose” means to place, destroy by any means or otherwise get rid of;
 - l. “public highway” means road allowance, road, street, or land vested in Her Majesty or designated by the municipality set aside for such purpose and includes the entry road to the waste transfer station, culverts, drain or other public improvement erected upon or in connection with such public highway;
 - m. “tipping fees” means a fee payable to the Town of Lampman as set out in Schedule “B”, for the removal of wastes to the waste transfer station;
 - n. “contaminated soil” means soil that has become contaminated with petroleum hydrocarbons. For the purpose of this bylaw, refined petroleum hydrocarbons include any mixture of hydrocarbons that is or could be used as a combustible fuel, including; gasoline, diesel fuel, aviation fuel, kerosene, naphtha, fuel oil & heating oil, and lubricating oils; and unrefined petroleum hydrocarbons includes any mixture of hydrocarbons acquired through petroleum exploration and transportation before the refining process.
3. Garbage and refuse wastes in the Town of Lampman shall be removed to the municipality’s waste transfer station by:
- a. An employee of the Town of Lampman; or
 - b. Any person who has contracted with the Council of the Town of Lampman for that purpose; or
 - c. Approved municipal haulers with up-to-date agreements with Council;
 - d. Any patron who pays the required waste disposal tipping fee.
4. All garbage, refuse, bulk refuse, rubbish and whites shall be disposed of in the designated areas of the waste transfer station.
5. No person shall, at the waste transfer station, dispose of:
- a. Manure, grain, petroleum wastes, slaughter house wastes, dead animals, and other comparable wastes;
 - b. Liquid domestic wastes;
 - c. Automobiles, truck or large machinery;
 - d. Pesticide and chemical containers that are authorized for deposit at authorized dealers;
 - e. Any oil refined or raw, oil products and waste oil of any kind;
 - f. Any used oil filters;

Waste Transfer Station Bylaw No. 2022-2 – Page 3

- g. Paint or paint containers;
 - h. Asbestos materials;
 - i. Hazardous wastes and materials;
 - j. Cement;
 - k. Tires;
 - l. Waste construction materials from the demolition of buildings.
6. a. Council of the Town of Lampman may, from time to time, enter into agreements with individuals or corporations for the storing and treating of contaminated soils pursuant to the *Environmental Control Act*, at the sole discretion of the Council of the Town of Lampman.
- b. Any said agreements entered into through Section 5(a) shall be subject to Saskatchewan Environment and Resource Management regulations and guidelines regarding the treating, storing and release of environmental liability.
- c. Responsibility for any and all environmental treating, monitoring and final environmental release on any contaminated soils allowed into the designated area at the waste transfer station shall be that of the persons, individual or corporate, entering into agreement with the Town of Lampman to store the said materials.
7. No person shall dispose of any garbage, refuse, bulk refuse, rubbish, whites, tires, or any other waste materials, at the gate, or on the roadway, or road right-of-way leading to the waste transfer station in accordance with the Litter Control Act, R.S.S. 1978.
8. a. No person, individual or corporation, shall place, pump or dispose of garbage, refuse, whites, bulk refuse, rubbish, whites, or any other waste matter permitted to be deposited at the waste transfer station, without the approval of the municipal representative, and without making the necessary payment of tipping fees as set out in the schedules prescribed in Schedule “B”, attached hereto and forming part of this bylaw. The appropriate tipping fees may be posted at the waste transfer station.
- b. The tipping fees referred to in 7 a. may be amended from time to time by the resolution of the Council of the Town of Lampman.
- c. Hours of operation of the waste transfer station are as prescribed in Schedule “A”. The hours of operation may be changed from time to time by Council and any or such changes may be posted at the waste transfer station.
9. a. The Council of the Town of Lampman shall charge a utility fee as prescribed in Schedule “C” to owners or occupants of premises for the provision of waste collection and disposal services provided by the municipality or a designated municipal hauler.
- b. The monthly rates as set out in Schedule “C” shall be billed on a quarterly basis and may be billed to the owner or occupant of the premises receiving such services.

Waste Transfer Station Bylaw No. 2022-2 – Page 4

10. No person shall remove, disturb, or take away any material, object, or thing from the waste transfer station without the express consent from a municipal representative of the Town of Lampman. The Municipality shall own and have sole right to dispose of all refuse collected and delivered to the waste transfer station. From time to time, the Council of the Town of Lampman may appoint a person for the cleaning up and removal of certain wastes from the waste transfer station.
11. No person shall operate any vehicle transporting garbage, refuse, bulk refuse, or rubbish over any public highway unless the load is completely enclosed or covered with a tarpaulin or secured in such a manner that is adequate for any part of the said load to escape.
12. Absolutely no burning is permitted at the waste transfer station unless carried out by the Town of Lampman or its representative and such burning is carried out according to the regulations as set out by Saskatchewan Environment and Resource Management and as permitted by the *Clean Air Act* of Saskatchewan.
13. No person shall deface, destroy, or alter any signs, gates or fencing at the waste transfer station.
14. The Council may, from time to time, by resolution, appoint an individual or corporation as the designated Municipal Hauler.
15. If any person fails, neglects or refuses to do anything that they are required to do by this bylaw, such things may be done by the Town of Lampman at the expense of the person in default and the Town may recover the costs of doing such work, in any court of competent jurisdiction or in like a manner as municipal taxes.
16. a. Any person failing to comply with any of the provisions of this bylaw or fails to comply therewith shall be guilty of an offense and liable on summary conviction to the following penalties:
 - i. An individual who commits an offense is liable to a fine of:
 - a. for first offense, to a fine of not more than \$500.00 plus costs;
 - b. for a second or subsequent offense, to a fine of not more than \$1,000.00, plus costs;
 - ii. For a corporation which commits an offense is liable to a fine of:
 - a. for first offense, to a fine of not more than \$1,000.00 plus costs;
 - b. for a second or subsequent offense, to a fine of not more than \$5,000.00 plus costs;
- b. The imposition of such penalties for failure to comply with any of the provisions of this bylaw will not relieve the person in default from carrying out the work therein mentioned, but they shall be liable on summary conviction to a further penalty of not more than \$10.00 for each day after the first penalty is imposed until he has complied with the provisions of this bylaw.

- 17. Bylaw No. 2019-1 are hereby repealed.
- 18. This Bylaw shall come into effect upon the 1st of July, 2022.
